Dear Sir:

PETITION UNDER 1.183

This petition for suspension of the rules under 37 C.F.R. 1.183 is being submitted in response to the "REQUIREMENT FOR INFORMATION RE PETITION UNDER 37 CFR 1.48(a)" mailed September 29, 1995 in the above-identified patent application. The omission of Mr. Steven Craig Gehling as a joint inventor at the time of filing the application was the result of a clerical error and was without any deceptive intent (see original petition as to verified facts). Accordingly, the original inventors named in the transmittal papers would not have any knowledge as to how the error occurred. Suspension of the requirement under Rule 1.48(a) for a verified statement of facts from each inventor is respectfully requested.

Accompanying this Rule 1.183 petition is a written consent of the assignee to change inventorship in this patent application and a Certificate under 37 C.F.R. 3.73 (b) establishing ownership of any rights in the patent.

Respectfully Submitted,

By:
